

Cover Sheet - Planned Course Overview

- A. Planned Course Title: Honors Anatomy and Physiology
Course Number: S406H
- B. Grade level: 11 – 12 Level/Track:
- C. Board Approval Date: 2/12/2018
- D. Instructional Time:
1. Length of course in weeks: 36 weeks
 2. Number of class periods per week: 5
 3. Length of class periods: 42 minutes
 4. Total clock hours/credit for the course: 1 credit
- E. List of the units of study within the course and estimated number of class periods or weeks allotted to each:
- | <u>Unit</u> | <u>Estimated Time</u> |
|---------------------------------|-----------------------|
| Organization Levels | 6 weeks |
| Covering, Support and Movements | 8 weeks |
| Nervous System and Regulation | 9 weeks |
| Transporting and Processing | 10 weeks |
| Reproduction | 3 weeks |
- F. The texts or major resources for the course:
Title: Essentials of Human Anatomy and Physiology
Author: Elaine N. Marieb
Publisher: Addison Wesley/Longman
Copyright: 2000, 6th Edition
- G. Special Notes:
This course is designed for students who may desire to enter the health care profession. This is a second level biology course with advanced laboratory work and comparative anatomy dissections. The list of activities and assessments allows for selection of activities and assessments by teachers to meet the needs of students. Dissections will be completed individually. Lab partners will be assigned for other labwork throughout the year.
- H. Names of the committee members who developed the planned course:
Mary Ann Miller
