- G. Special Notes:
- The list of activities and assessments allows for selection of activities and assessments by teachers to meet the needs of students.
 - Each lesson is designed to provide maximum participation for every student and takes into account the safety concerns for each activity.
 - Units may incorporate lead up activities/games
 - School calendar and weather will determine actual length of each unit.
 - The student will understand and respect others and recognize the differences in ability of each other in ALL units.
- H. Names of the committee members who developed the planned course: Doug Fehnel
