Northampton, PA 18067 Fax (610)262-1150

Dear Parent,

This year our sixth grade students will be taking the Middle School Family and Consumer Science (FACS) course with Ms. Linda Hayes, Family and Consumer Science Teacher. In addition to other activities, they will learn to diaper a baby using "anatomically correct" dolls. I would like to make you aware of this fact so that you and your child understand that this learning experience will be included as part of the course.

The curriculum and materials used in the Middle School FACS course are aligned to Pennsylvania State Standards and are available for your review by contacting the Middle School office.

Please do not hesitate to call if you need further information.

Sincerely,

Lydia J. Hanner
Director of Curriculum

2016-2017
Grade 6
Middle School FACS

Please return to Ms. Hayes no later than _____

I have received the letter regarding my child's Middle School FACS course.
