

Dear Parents,

WOW! We're already thinking of next year. We would like to give you an idea as to what materials your child will need for next year.

We ask that the students bring two (2) 1-inch, 3-ring binders – one black and one any other color. We also ask that the students bring a pencil box and they can bring any pencils and crayons, as long as they fit in their pencil box. We will provide all scissors and glue. Markers are not needed. Little trendy pencil sharpeners, staplers and toys are better left at home as they cause distractions.

Thank you for your understanding and cooperation concerning these requests. We look forward to a great second grade year!

The Second Grade Teachers 😊
